FIRST CLASS YACHTING ONLY

THE WHOLE FLEET, BY CLASS

Elite Rentals Dubai runs its fleet in four classes. This file is all of it in one place — every yacht, her size, her guest count and her full-day rate, so a client can see the whole ladder on a few pages and point at the one they want. Each class also has its own file with a page per yacht, and every yacht has a full brochure of her own.

WHAT EVERY CHARTER CARRIES

- Captain and our own permanent crew — never subcontracted
- All fuel for the booked route
- Chilled water, ice and soft beverages
- Marine insurance, full safety brief and marina berthing

ON REQUEST

- Elite Rentals chef and the signature menus, open bar with our own bartender
- Live DJ, decoration, water toys, photographer and VIP transfers

ONE STANDARD. ONE PRICE.

We are priced at the premium end of the Dubai market, and that is deliberate. A five-star hotel does not quote a two-star rate, and nobody walks in asking it to. The rate is what pays for the standard — our own crew on our own payroll, our own chefs, the upkeep, and the detail you only notice when it is missing.

We do not discount and we do not price-match. If the brief is the cheapest boat on the water, we are not the right house.

Rates are the full-day, eight-hour figure in USD with AED and EUR alongside, exclusive of 5% VAT. Yachts shown on request are quoted individually against the dates.
